

Call for Papers

Central European Journal of Operations Research CEJOR

Special Issue on *OR and Environmental Management* to Participants of *EURO XXIII 2009*

At the occasion of *EURO XXIII 2009 – 23rd European Conference of Operations Research*, July 5-8, 2009, Bonn, Germany (<http://www.euro-2009.de>), the journal Central European Journal of Operations Research invites submissions of papers to a special issue in the areas on *OR and Environmental Management*. This journal features theoretical papers as well as application-oriented contributions and practical case studies. The scope of this special issue will be expanded to research that includes, especially, studies related to the environmental issues in organizations and markets. Topics are drawn from, but not limited to, the following areas:

- *Emissions Trading Markets,*
- *Environmental Issues in Financial Markets and Market Evaluation,*
- *Reverse Logistics,*
- *Production-integrated Environmental Protection,*
- *Environmental Considerations in Production and Investment Planning Models,*
- *Environmental Product Design,*
- *Renewable Energies,*
- *Industry and Climate Change,*
- *Management of Hazardous Substances, Waste Management and Emissions Control,*
- *Financial Mathematics in the Energy Sector.*

The Central European Journal of Operations Research is indexed in the following databases: ABI/INFORM, ABS Academic Journal Quality Guide, Business Source Alumni Edition, Business Source Complete, Business Source Corporate, Business Source Plus, Current Abstracts, Digital Mathematics Registry, E-JEL, EconLit, Google Scholar, International Abstracts in Operations Research, Journal Citation Reports/Social Sciences Edition, Mathematical Reviews, MathSciNet, OCLC ArticleFirst Database, OCLC FirstSearch Electronic Collections Online, Science Citation Index Expanded (SciSearch), SCOPUS, Summon by Serial Solutions, TOC Premier, Zentralblatt Math. A very thorough process of refereeing will be guaranteed. This high scientific level will enable and inspire readers to pursue research projects in the aforementioned areas, thus serving -- and fostering a better and fruitful understanding between -- our people and our nations.

Guest Editors: Prof. Dr. Peter Letmathe, Prof. Dr. Axel Tuma, Prof. Dr. Gerhard-Wilhelm Weber
Important Dates: Submission deadline of full papers: November 30, 2009.

They may use the guidelines <http://www.springer.com/business/operations+research/journal/10100>.

Submission is restricted to participants of EURO XXIII 2009. All papers submitted for publication will become carefully refereed. For submission of your paper and in case of any question please contact by e-mail one of the guest editors:

Prof. Dr. Peter Letmathe
Chair of Value Chain Management
University of Siegen, 57068 Siegen, Germany
E-mail: Peter.Letmathe@uni-siegen.de

Prof. Dr. Axel Tuma
Chair of Production and Environmental Management
University of Augsburg, 86159 Augsburg, Germany
E-mail: axel.tuma@wiwi.uni-augsburg.de

Prof. Dr. Gerhard-Wilhelm Weber
Institute of Applied Mathematics
Middle East Technical University, 06531 Ankara, Turkey
