

HOW TO GET TO BONN

For any kind of train connections in Europe or Germany please visit <http://www.bahn.de/international/view/en/index.shtml> or <http://www.bahn.de>

There are budget flights going from all over Europe to the airports Cologne / Bonn, Dortmund or Frankfurt Hahn (which is not Frankfurt). Alternatively you may fly to Frankfurt or Düsseldorf.

Arriving at the Airport Cologne (Köln – Bonn)

Distance to the center of Bonn: about 35 km

In order to get from the airport to Bonn you can take

- airport bus no 670 to Bonn central train station (Bonn Hauptbahnhof): every 20-30 minutes.

To reach the bus terminal go through Terminal 2 and follow the signs to parking lot P3

(time to get to Bonn: about 30-40 minutes)

- train to station Bonn Beuel: every hour

To reach the train station go to Terminal 1 and follow the signs.

From Bonn Beuel you may take a tram to Bonn central train station (Bonn Hauptbahnhof) or a taxi.

Arriving at the Airport Frankfurt (Rhein-Main)

Distance to the center of Bonn: about 170 km

For those arriving in Frankfurt airport, we recommend to go to the "long distance train station (Fernbahnhof)" of the airport:

Either you take

- any of the IC trains going to Mainz, Koblenz and Bonn (central station) and continuing to Cologne etc. or you take
- the fast "ICE" train to "Siegburg/Bonn", and take the tram to Bonn from there. There is only one tram line (No. 66) departing in Siegburg/Bonn station; get off at "Universität/Markt".

The IC train will take you in 1 hour and 45 minutes to Bonn. The ICE train will need on a maximum speed of 250 km/h about 39 minutes to reach Siegburg. The remaining 15 km will take you at least as much (including waiting and change over time).

Arriving at the Airport Düsseldorf

Distance to the center of Bonn: about 85 km

Take the sky train to the train station "Düsseldorf Flughafen" where you can find direct connections to Bonn central train station.

(time to get to Bonn: 1 hour)

Arriving at the Airport Dortmund

Distance to the center of Bonn: about 130 km

The most convenient way to get to your destination is to rent a car at the airport and return it in Bonn.

Alternatively you might go by airport bus to the train station "Holzwickede". There you will have trains going to the central stations of Dortmund or Hagen. Both stations are well connected to the central train station of Bonn.

(total driving and waiting time: about 3 hours)

Arriving at the Airport Frankfurt/Hahn

Distance to the center of Bonn: about 135 km

The most convenient way to get to your destination is to rent a car at the airport and return it in Bonn.

Alternatively you might go by bus no 620 to the central train station (Hauptbahnhof) Koblenz. Buses either depart after arrivals of flights or once every 2 hours. From Koblenz you can take any train going to Bonn.

(total travel time to get to Bonn: about 3 hours including waiting time)
